MEMORANDUM

TO: Members of the General Assembly

FROM: Terrence D. Sullivan, Director of Research *T.D.S.*

RE: Legislative Commissions, Non-Standing Legislative Committees and Interim Studies

This document contains a listing of all permanent legislative commissions and non-standing committees and all studies authorized or directed to be undertaken by the 1995 General Assembly. Ms. Sue Floyd and Ms. DeAnne Mangum of this Division, working with other legislative staff and executive branch employees, compiled this publication.

The listing of studies includes not only studies undertaken by legislative bodies, but also those directed to be undertaken by other agencies of State government. The information contained within this publication is arranged alphabetically by subject matter. The publication includes an alphabetical table of contents at the front and an alphabetical index at the end.

Each listing contains:

1. References to the legal authority of the commission, committee, or study;
2. If a commission or committee, the membership appointed prior to February 1997, and staff with their names, addresses and telephone numbers;
3. If a study, who or what is to make the report and when it is to be made and to whom; and
4. If a study by a State agency, the contact person.

For a membership of other existing permanent executive and judicial agencies, please contact Ms. Cathy Martin, our Legislative Librarian, at (919) 733-9390 or Mr. Stephen Bryant, the Governor's Director of Boards and Commissions, at (919) 715-0966.
